

# Take your business to the next level with **SUBLIMATION EDUCATION**

**New Product Applications**

**Hands-On Training**

**Equipment Displays**

Are you looking for ways to tap into new markets and increase your revenues? Sublimation technology can help you achieve those goals through full color personalized products that are complementary to your existing business. And Sublimation Education seminars can help you get moving in the right direction!

Sublimation Education combines everything you need to know about making and selling full-color products into a series of dynamic workshops. Each class is built on proven techniques and strategies that will help you become more successful. You'll leave your Sublimation Education workshop armed with practical knowledge that you can put to use immediately.

Best of all, we're bringing this special workshop to cities around the country at a minimal cost. Don't miss this opportunity to increase your sales and profits through sublimation! Course topics for 2004 will include:

- Introduction to Sublimation
- Introduction to Substrates and Production
- Graphic Design for Sublimation
- CorelDraw Tips and Tricks
- Photoshop Tips and Tricks
- Marketing and Selling Full Color Products
- And many more!
